Sponsored Bike Ride to Bridlington Sunday 21st August 2016

Dear Cyclist

We hope you can join us on the 21st August for the premier event of the year. The ride to Bridlington Harbour from Dewsbury Ambulance Station is about 76 miles depending on which route we go. Last year nearly £8000 was raised from this great day out. Whether you are a beginner to the joys of cycling or have miles under your saddle come along for the ride! It's not a race and there will be someone close by to help you reach your personal goal to the harbour side.

As usual there will be full back up facilities with **free** transport home for all **sponsored** cyclists.

A prize of a cycle shirt awaits the cyclist with most sponsor money raised. We have three well-established routes and the one chosen for this year can be viewed and downloaded from the web site.

More details are enclosed plus a sponsor form and **poster** that hopefully you may be able to **display** somewhere, your local bike shop maybe?

Please contact David or Chris if you are up for the ride, or if you can help in any way. And don't forget, more information is available on the web site at,

Thanks and all the best

David Deaves
